

THE ENGLISH CENTRE

Qualified and certified courses of foreign languages

The English Centre, Examination Centre of Trinity College London and its location for international exams, is a specialized centre in the teaching of the English language both for general purposes and for professional motives and it's born from a team of experts mother tongue English graduated e/o degree certificated with specific qualifications (ESL) for the teaching of the English language as foreign language and with experience of many years in teaching.

The business courses from us realized they are projected verse those people that need the English language for motives for job.

Who uses our courses has specific necessities aimed to operate in natural mana environment in his working circle: our courses do so that from the first lesson he can already start to use the English language in the working specific sector of his competence emphasizing the aspects typical of his own sector.

The business courses can be organized in our places or in the centre of the firms our customers arranging the schedules and the days.

At all those people who complete the course is released a certificate of frequency.

For the one who asks for a certificate of international value, **The English Centre** prepares the single student to various international examinations among which Cambridge ESOL and Trinity.

The curriculum of our teaching staff includes, among the most meaningful, the following customers: Presidency of the Suggestion of the Ministers; Senate of the Italian Republic; Rai Sacis; ISPESL; Tetra Pak Italiana S.p.A.

Waiting for Your communications, and however remaining to Yours complete disposition for any further information can require you, we gather the occasion to offer yours Sincerely.
