

WINE ACCESSORIES AND TABLEWARE

Our sales philosophy, requires us to give to the Customer a complete and friendly service as possible. Therefore, in addition to a bottle of wine "Cerasuolo di Vittoria", or "Etna Rosso" we also provide You every tools to enhance and present Your bottle of wine in the most appropriate way, like wine cellar, bottle holder for gift, lever corkscrew or decanter to decant the wine (a good red wine for at least 30 minutes), and yet, thermometers to check the proper serving temperature, - from 12° to 14°C for red wine and from 6° to 8 °C for a good white wine - ... but not only !! The pleasure of a beautiful table set can also be found in the line of accessories to serve it... like cheeses cutlery, cutting board for pizza, barbecue set, and italian style apron for the cook, also ... practical and stylish accessories to be used every day and enjoyed !! They can also be considered like gift ideas !!

For important occasions, surely, we open a french champagne or an italian sparkling wine .. but it's important that the ceremony will be remembered ! How can this happen? Sabering a champagne bottle in one shot, for example, as did Napoleon's Cavalry after every victory on the field !! You will find the best champagne sabrage-set online...on www.italicum.it

Do You like italian Espresso ?? You will find our italian coffee-makers online on www.italicum.it
The lowest prices on the web !!

LOCATION

Italicum.it has its headquarters in Palermo, Sicily, the generous island with any culinary treasure. Our fish preserves come from the clear and clean sea of Lampedusa, our extra virgin olive oil comes from the area of Trapani, very appreciated sicilian area for best olive groves ; our pasta comes from the ears heated by the sun of our island, our preserves offer a taste of genuine traditions, and also wine, spirits and many typical Italian tastes. **We speak English, German and Italian languages.**
