

Web Solutions

We help foreign companies to establish their online presence in Italy (and Europe)

We specialize in creating and managing turnkey e-mail marketing campaigns (9+ million consumer prospects in Italy + 60 million in Europe), localizing any kind of marketing material, getting high rankings for your web site on Google.it, and managing your Italian version of Facebook pages and Social media profiles.

Email Marketing

Social Media

Google SEO

Web Marketing

More than 9 million B2C and 5 million B2B prospects in Italy (20 million globally in Europe)

Email Marketing

(Tourism: OR 10-20% - CTR: 1-4%)

We develop highly effective, localized, targeted email campaigns. And we can integrate them across all of your localized online channels, including social, web and mobile.

Attract new customers from Italy!

Highlight your brand into the Italian marketplace, the easy way.

Social Media Management

Engage and grow your Facebook audience (+23M) directly from Italy!

FROM €240/MONTH

Get the most out of your social media in Italy!

We can create **localized versions** of your social media profiles (in particular Facebook) regardless of starting language, take control of all your social media channels, post engaging content (targeted for Italian audience), monitor your channels, and send replies according to your policy and attitude.

We will also take care of the design of a matching Facebook page and Twitter profile.

Google Top10 Ranking

Impact your incoming business with a first page ranking on Google.it!

FROM €450/KEY

First Page = More Traffic and New Clients

We will bring your website to the first page of Google Italy - helping you also to choose the best Italian keywords that potential customers are searching for - and at the same time we make sure everything we do is within Google's guidelines.

All of our Clients have at least one competitive keyword ranked Top10! We boast a 100% of success!

Do not have a website? We can do an optimized one for you!
