

WiAutomation

INDUSTRIAL AND MARINE AUTOMATION
Products for Industry and OEM

190 COUNTRIES

5 CONTINENTS

Nº1 IN 18 COUNTRIES

WiAutomation, spare parts provider for Industrial and Marine Automation.

WIA has been helping customers over the years to quickly solve the issues of failures that cause downtime with quality products.

Over 130 brands with the ability to find any required replacement, obsolete, new or refurbished, at the best price of the market thanks to our suppliers worldwide network.

4 Reference Markets

WiAutomation deals with all aspects of business in every market in which it operates
Industrial, Marine, Commercial and Services

Products and services for the electronic sector

- Industrial automation
- Cabling
- Control
- Security
- Instruments
- Consumables

- Cabling
- Protection
- Home Automation
- Electrical Accessories
- Alarms and Security

- PLC
- Pressure Transmitters
- Temperature sensors
- Fluids controls
- Cabling
- Security
- Instruments
- Consumables

- Networks cables
- MV/LV Switches
- Transformers
- Accessories

A team of professionals
to keep you up
to date on
**New Opportunities
for Industrial and
Marine Automation
solutions**

The **Automation and Marine Division** of *WiAutomation* provides technical advice to operators in sectors. Our innovative approach to finding solutions to the problems of the Industrial and Marine sector derives from a great technical experience acquired over the years.

A worldwide suppliers network and effective technical solutions to provide the best products and the best solution for our customers.

AUTOMATION PARTNERS

Over *130 brands* with the ability to find any required replacement

From the PRODUCT to the SOLUTION

for automation and industry

**A global product offering,
services and solutions for the Industrial and Marine sectors.
Partnership with the most important
brands in the sector.**

HMI PANELS / FIELD BUS PLC AND SOFTWARE

PROGRAMMABLE LOGIC

Microcontrollers

Compact PLCs

Modular PLCs

OPERATOR TERMINALS

Text Terminals

Touch-Screen

Panel PLC

Industrial Pc

SOFTWARE and ACCESSORIES

Development and programming software

Supervisor Software

Cables

Interface Modules

(FIELD BUS)

Remote I / O

Remote IP devices

CONTROL AND SIGNAL INSTRUMENTS

OPERATING DEVICES

Switches

Fuse Blocks and Holders

General Switches

CONTROL and PROTECTION DEVICES

Electromechanical Relays

Contactors

Thermal Relay

Magnetometric Sensor

Electrical Relay

SIGNALING DEVICES

Push-button

MOTORS AND DRIVES

DRIVES

Frequency Converters
Static Starters (Soft Start)
Servo Drives

MOTORS

Three-phase asynchronous
Special Motors
Brushless

PROTECTION FILTERS

Anti-noise filters
Network filters
Filters for inverter / Emc

POWER SUPPLIES

ELECTRICAL TRANSFORMERS

Power transformers
Safety transformers
Transformers Special Executions
Amperometric transformers

POWER SUPPLIES

Single-Phase Switching Power Supplies
Three-Phase Switching Power Supplies
Power Supplies for special voltages

ELECTRONIC INTERFACES, NETWORKS AND COMMUNICATION ACCESSORIES

CONNECTIONS AND ACCESSORIES

RELAY MODULES

Single and multiple relay interface

OPTO MODULES

Single and multiple opto interface

SOLID STATE RELAY

Mono-two-three-phase static relays

CONTROL RELAY

Level control relay

Current voltage monitoring relay

Rotation control relay

CONVERTERS

Analog Converters

Digital Converters

Serial Converters

NETWORKS and NETWORKING ACCESSORIES

Switch

Router

Networking Accessories

INDUSTRIAL CONNECTIONS

Multiple connectors

Pre-wired connectors

Solenoid valves connectors

ELECTRIC TERMINALS

Screw terminals

Spring terminals

Drilling terminals

CRIMP TERMINALS

MARKER

SENSORISTICS AND DETECTION

SENSORS

- Proximity sensors
- Photocells
- Optical fibers Photocells
- Ultrasonic sensors
- Measure barriers
- Artificial vision system (2d - 3d)
- Identification systems

LIMIT SWITCHES

- Microswitch
- Position limit switch
- Multiple limit switches

POSITION TRANSDUCERS

- Absolute / Incremental Encoders
- Magnetoresistance lines
- Magnetic and potentiometric lines

INTRUMENTATION

DIGITAL INSTRUMENTATION

- Thermoregulation
- Signal measurement Voltage /Current

COTROL INSTRUMENTS

- Network analyzers

TIMER

- Analog timers
- Electronic timers

MACHINE SAFETY

OPTICAL DEVICES

Safety photocells

Safety barriers CI.II

Safety barriers CI.IV

Advanced WiAutomation Services

**Over
40.000 items**

available at our distribution centers

**Specialist
Consulting**

in all areas of expertise

**Key Account
Structure**

dedicated to managing needs
of large companies with national/
international coverage

**Advanced
Logistic Service**

Delivery

within 24/48 hours

E-Commerce

available 24 hours a day
even on the move
with WiAutomation.com

Products and solutions
for Energy Efficiency
and renewable energy

Industry Services

Technical assistance

pre and post sales

**Administrative
Management**

dedicated to the needs of big customers

**International
Agreements**

for multinational companies

**Key Account
Division**

with only national reference

**Flexibility in
billing mode**

according to the requests:
by establishment, by order,
cumulative month,
by delivery etc.

Digitization

of all processes of sending invoices and
delivery notes, periodic reports on request,
products, purchased, top brands, etc
